2. The Tariff is available at the offices of EasyPayAD and on the company's official website: www.easypay.bg

3. EasyPay AD reserves the right to change the fees and commissions for the services provided in case of changes in the market conditions or the current legislation, for which it shall inform its clients in on the company's official website: www.easypay.bg

3.1. When the changes relate to the "Postal Money Transfer" service, they are announced 7 (seven) days before they take effect.

3.2. Changes concerning payment services for customers are announced 2 (two) months before they take effect, unless they involve an expansion of service scope and/or are more favorable to customers, in which case they take effect immediately.

II. Fees and Commissions

4. Changes to the fees and commissions apply prospectively and do not affect any one-time or subscription fees paid in advance prior to the effective date of the change.

5. Fees for the services provided by EasyPay AD are paid by the payer (principal) either in cash or via a non-cash payment method at the time of initiating the transfer, unless explicitly agreed otherwise between EasyPay AD and the payer/recipient.

6. The paid fee, whether in cash or via a non-cash method, is recorded on a payment document. A payment document may not be issued if the transfer is initiated via the Internet, phone, or another designated device.
